Sample Awards Submission

A sample Awards Submission form and tips on submitting have been provided as a guide for successfully submitting all the necessary documentation so your chapter can be recognized for all the work it has done during the year to promote the profession of medical assisting.

The sample focuses on submission for programs and publication since those are the majority of the submissions that are received. Chapters should submit for all awards they feel they might be eligible.

There are seven members of the Awards Committee and a copy of the completed awards submission form and all documentation must be sent electronically to each committee member. Members serving on the Awards Committee refrain from judging submissions from their own chapter. In the event a chapter has a member(s) serving on the awards committee the submission does NOT need to be sent to that member(s). This gives the committee members time to adequately review and judge the submissions based on the criteria in the Standing Rules.

Chapter Presidents are contacted in October/November and reminded of the procedure for submitting awards. Any questions regarding the process can be directed to the Awards Committee Chair or any member of the Awards Committee.

The winners are announced at the Awards Luncheon held during the NCSMA convention. If you do not submit you will not win!

Tips for submitting programs and/or publications:

- 1) Have the program chair and/or newsletter editor archive electronic copies of the required documentation as the programs are submitted and approved and or the newsletter is published.
- 2) At the end of the year the program chair and newsletter editor can share the electronic copies of the documentation needed to the Chapter President or designate person for submission.

Deadline for ALL AWARDS (except Membership) is set at January 5th!!!! *The Awards Committee will accept electronic submissions that are received on or before 11:59 p.m. on January 5th. Submissions **MUST** be emailed to all Awards Committee members by the deadline and include all necessary documentation.*

Then wait for your chapter's name to be called at the Awards Luncheon!
