A Message From Your President

Hello everyone!

I hope you are all doing well and staying safe. Know that you all are being thought of and prayed for.

There are several local chapters that are hosting their monthly meetings via Zoom. Please contact your chapter president and ask them for contact information of the chapters that are hosting Zoom meetings. This way, you can still receive CEU's. If your chapter president does not have any information, please do not hesitate to contact me and I will be happy to help you.

Also, there have been discussions concerning the Summer and Winter Seminars for this year. After discussion with each of the chapters that have put in bids for seminars and convention as well as this year's Summer and Winter Seminar hosting chapters, I would like you all to know that the Summer Seminar and Winter Seminar for this year have been cancelled. I apologize for any inconvenience this may cause. We are doing what's best for this organization and especially what's best for you.

Please watch for any new and upcoming information on the [NCSMA website](#) and [NCSMA Facebook page](#).

Sincerely,

Summer O'Neal, CMA (AAMA)
NCSMA President
